MATTHEW DIAS: WEB DEVELOPER _____

mld78@case.edu Santa Monica, Ca   www.matt-dias.com   github: mld78 linkedin: matthewdias78

I am a former student of General Assembly's Web-Development Immersive, gaining skills with languages such as Javascript, HTML, Node.js, and many more. My background in biochemistry helped while learning code to pay attention to detail and to work through problems thoroughly. I am currently teaching myself React as well as improving my projects

_____ SKILLS _____

Web Development HTML5 | JavaScript | jQuery | Ruby | Rails | postgreSQL | MongoDB | Express | Angular | Node.js | CSS3 | Bootstrap| Git/Github | Trello | Slack | Heroku | Wireframming
